**DOING NOWT:
KICK 'EM OUT!**

Gateshead Labour expect your vote - do they deserve it this time?

- ✘ Labour run Gateshead Council have neglected Gateshead High Street
- ✘ Gateshead Labour waste taxpayers' money - like £20 million on an empty car park
- ✘ Gateshead Labour only show up when they want your vote - despite having represented Bridges ward for decades

Lib Dem Jonathan Aibi is a local champion who will put our area first

- ✓ Jonathan lives locally and is committed to our area
- ✓ Jonathan will fight to fix Gateshead High Street and to clean up our streets
- ✓ Jonathan will say 'No' to Council expenses and speak for residents, not the Council

Labour candidate: "I want to represent Low Fell"

Labour's candidate stood to become Councillor for **Whickham South and Sunniside** - and lost.

He then defended a seat in **Saltwell** - and lost.

This May he stood in **Low Fell**, writing "I want to represent Low Fell" - and lost.

Now, he is standing in his fourth ward and trying to become Councillor for **Bridges!**

Lib Dem Jonathan Aibi is committed to our area!

It's between Jonathan or Gateshead Labour
