

The crucial question that residents are asking:

WHO will stand up for our area?

**Local campaigner
Jonathan Aibi**

OR

**Labour's recycled
candidate**

✗ Labour's candidate tried to become a Councillor in Whickham South and Sunniside, Saltwell, Low Fell and now Bridges!

✗ Gateshead Labour has neglected our High Street for years

✗ Gateshead Labour wastes millions of taxpayers' money

✓ Jonathan is local and is committed to our area

✓ We need a strong local champion to challenge Labour bosses at the Council when they get things wrong

✓ It's between Jonathan and Gateshead Labour - a vote for anyone else risks letting Labour win

It's Jonathan or Gateshead Labour

What Gateshead Labour has done for our area

Jonathan Aibi's positive plan for our area

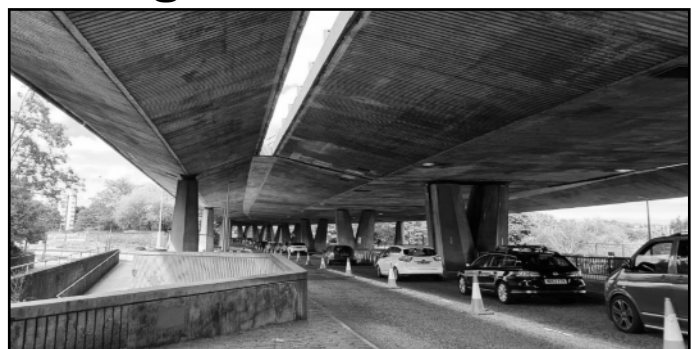

1. Fix Gateshead High Street

2. Clean up our streets - residents have had enough of litter, graffiti and fly tipping

3. End Labour's poor traffic management schemes

(Nothing we can think of)
